#### SECTION 2: Hazards identification

#### 2.1. Classification of the substance or mixture

#### Classification according to Regulation (EC) No. 1272/2008 [CLP]

Serious eye damage/eye H319 irritation, Category 2 Skin corrosion/irritation, H315 Category 2 Specific target organ H335 toxicity — Single exposure, Category 3, Respiratory tract irritation

Full text of classification categories and H statements : see section 16

### Classification according to Directive 67/548/EEC or 1999/45/EC

Xi; R36/37/38

Safety Data Sheet

Full text of R-phrases: see section 16

#### Adverse physicochemical, human health and environmental effects No additional information available

| 2.2. Label elements                 |   |
|-------------------------------------|---|
| Labelling according to Regulation ( | EC) No. 1272/2008 [CLP]   |
| Hazard pictograms (CLP)             | GHS07   |
| Signal word (CLP)                   | : Warning   |
| Hazard statements (CLP)             | : H315 - Causes skin irritation<br>H319 - Causes serious eye irritation<br>H335 - May cause respiratory irritation  |
| Precautionary statements (CLP)      | <ul> <li>P261 - Avoid breathing dust, fume, gas, mist, spray, vapours</li> <li>P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes.</li> <li>Remove contact lenses, if present and easy to do. Continue rinsing</li> </ul> |

#### 2.3. Other hazards

No additional information available

| SECTION 3: Composition/information on ingredients |           |   |
|---|-----------|---|
| 3.1.<br>Name<br>CAS No                            | Substance | : HYDROQUINONE DIMETHYL ETHER FOR SYNTHESIS<br>: 150-78-7 |

Full text of R- and H-phrases: see section 16

| SECTION 4: First aid measures           |  |  |  |
|---|--|--|--|
|   |  |  |  |
| 4.1. Description of first aid measures  |  |  |  |
| First-aid measures after inhalation :   | Remove victim to fresh air and keep at rest in a position comfortable for breathing.<br>Call a POISON CENTER or doctor/physician if you feel unwell. |  |  |
| First-aid measures after skin contact : | Wash with plenty of soap and water. Wash contaminated clothing before reuse. Get medical advice/attention.   |  |  |
| First-aid measures after eye contact :  | Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention.   |  |  |
| First-aid measures after ingestion :    | Rinse mouth out with water. If you feel unwell, seek medical advice.   |  |  |
|   |  |  |  |

Safety Data Sheet

| 4.2. Most important symptoms and e     | ffects both acute and delayed   |
|--|---|
| Symptoms/injuries after inhalation     | : May cause respiratory irritation.   |
| Symptoms/injuries after skin contact   | : Causes skin irritation.   |
| Symptoms/injuries after eye contact    | : Causes serious eye irritation.  |
|  |   |
| 4.3. Indication of any immediate med   | dical attention and special treatment needed  |
| Treat symptomatically.                 |   |
| SECTION 5: Firefighting measures       |   |
| 5.1. Extinguishing media               |   |
| Suitable extinguishing media           | : Dry chemical, CO2, or water spray or regular foam.                                  |
| Unsuitable extinguishing media         | : Carbon dioxide (CO2).   |
|  |   |
| 5.2. Special hazards arising from the  | e substance or mixture  |
| No additional information available    |   |
| 5.3. Advice for firefighters           |   |
| Protection during firefighting         | : Do not attempt to take action without suitable protective equipment.                |
|  |   |
| SECTION 6: Accidental release measure  | S   |
| 6.1. Personal precautions, protective  | e equipment and emergency procedures  |
| 6.1.1. For non-emergency personnel     |   |
| Emergency procedures                   | : Evacuate unnecessary personnel.   |
|  |   |
| 6.1.2. For emergency responders        |   |
| Protective equipment                   | : Use personal protective equipment as required.                                      |
| Emergency procedures                   | : Ventilate area.   |
| 6.2. Environmental precautions         |   |
| Avoid release to the environment.      |   |
|  |   |
| 6.3. Methods and material for contai   | nment and cleaning up   |
| Methods for cleaning up                | : Clean up any spills as soon as possible, using an absorbent material to collect it. |
|  |   |
| 6.4. Reference to other sections       |   |
| No additional information available    |   |
| SECTION 7: Handling and storage        |   |
| 7.1. Precautions for safe handling     |   |
| Precautions for safe handling          | : Avoid contact with skin and eyes.   |
| Hygiene measures                       | : Wash hands and other exposed areas with mild soap and water before eating,          |
|  | drinking or smoking and when leaving work.  |
|  |   |
| 7.2. Conditions for safe storage, incl |   |
| Storage conditions                     | : Keep container tightly closed. Store in a well-ventilated place. Keep cool.         |
| 7.3. Specific end use(s)               |   |
| No additional information available    |   |
|  | protection  |
| SECTION 8: Exposure controls/personal  |   |
| 8.1. Control parameters                |   |
| No additional information available    |   |

Safety Data Sheet

| 8.2. Exposure controls                     |                                      |
|--|--------------------------------------|
| Hand protection                            | : protective gloves                  |
| Eye protection                             | : Chemical goggles or safety glasses |
| Skin and body protection                   | : Wear suitable protective clothing  |
| Respiratory protection                     | : Wear respiratory protection        |
| SECTION 9: Physical and chemical prop      | erties                               |
| 9.1. Information on basic physical a       |                                      |
| Physical state                             | : Solid                              |
| Colour                                     | : White crystalline.                 |
| Odour                                      | : odourless.                         |
| Odour threshold                            | : No data available                  |
| рН   | : No data available                  |
| Relative evaporation rate (butylacetate=1) | : No data available                  |
| Melting point                              | : 54 - 56 °C                         |
| Freezing point                             | : No data available                  |
| Boiling point                              | : 213 °C                             |
| Flash point                                | : 125 °C                             |
| Auto-ignition temperature                  | : 423 °C                             |
| Decomposition temperature                  | : No data available                  |
| Flammability (solid, gas)                  | : No data available                  |
| Vapour pressure                            | : <1 hPa at 20°C                     |
| Relative vapour density at 20 °C           | : No data available                  |
| Relative density                           | : No data available                  |
| Density                                    | : 1.053 g/ml at 25 °C                |
| Solubility                                 | : No data available                  |
| Log Pow                                    | : No data available                  |
| Viscosity, kinematic                       | : No data available                  |
| Viscosity, dynamic                         | : No data available                  |
| Explosive properties                       | : No data available                  |
| Oxidising properties                       | : No data available                  |
| Explosive limits                           | : No data available                  |
|  |                                      |

### 9.2. Other information

No additional information available

Safety Data Sheet

| SECTION 10: Stability and reactivity               |                                     |
|--|-------------------------------------|
| 10.1. Reactivity                                   |                                     |
| No additional information available                |                                     |
| 10.2. Chemical stability                           |                                     |
| Stable under normal conditions of use.             |                                     |
| 10.3. Possibility of hazardous reaction            | ns                                  |
| No additional information available                |                                     |
| 10.4. Conditions to avoid                          |                                     |
| Direct sunlight.                                   |                                     |
| 10.5. Incompatible materials                       |                                     |
| No additional information available                |                                     |
| 10.6. Hazardous decomposition produ                | ucts                                |
| No additional information available                |                                     |
| SECTION 11: Toxicological information              |                                     |
| 11.1. Information on toxicological effe            | ante                                |
| Acute toxicity                                     | : Not classified                    |
| Acute toxicity                                     |                                     |
|  |                                     |
| Skin corrosion/irritation                          | : Causes skin irritation.           |
| Serious eye damage/irritation                      | : Causes serious eye irritation.    |
| Respiratory or skin sensitisation                  | : Not classified                    |
| Germ cell mutagenicity                             | : Not classified                    |
| Carcinogenicity                                    | : Not classified                    |
|  |                                     |
| Reproductive toxicity                              | : Not classified                    |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation. |
| Specific target organ toxicity (repeated exposure) | : Not classified                    |
| Aspiration hazard                                  | : Not classified                    |

| 14.5. Environmental hazards   |  |  |
| Dangerous for the environment | : No                                     |  |
| Marine pollutant              | : No                                     |  |
| Other information             | : No supplementary information available |  |
|                               |  |  |

#### 14.6. Special precautions for user

#### - Overland transport

No data available

#### - Transport by sea

No data available

#### - Air transport

No data available

#### - Inland waterway transport

No data available

#### - Rail transport

No data available

#### 14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

#### Not applicable

#### **SECTION 15: Regulatory information**

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

#### No REACH Annex XVII restrictions

HYDROQUINONE DIMETHYL ETHER FOR SYNTHESIS is not on the REACH Candidate List HYDROQUINONE DIMETHYL ETHER FOR SYNTHESIS is not on the REACH Annex XIV List

#### 15.1.2. National regulations

#### Germany

| AwSV/VwVwS Annex reference  | : Water hazard class (WGK) 1, slightly hazardous to water (Classification according to VwVwS, Annex 3; WGK No 4691) |
|---|---|
| 12th Ordinance Implementing the Federal<br>Immission Control Act - 12.BImSchV | : Is not subject of the 12. BImSchV (Hazardous Incident Ordinance)  |

#### Denmark

Safety Data Sheet

**Recommendations Danish Regulation** 

: Young people below the age of 18 years are not allowed to use the product

15.2. Chemical safety assessment

No additional information available

SECTION 16: Other information

Full text of R-, H- and EUH-phrases:

| Eye Irrit. 2  | Serious eye damage/eye irritation, Category 2  |
|---------------|--|
| Skin Irrit. 2 | Skin corrosion/irritation, Category 2  |
| STOT SE 3     | Specific target organ toxicity — Single exposure, Category 3, Respiratory tract irritation |
| H315          | Causes skin irritation   |
| H319          | Causes serious eye irritation  |
| H335          | May cause respiratory irritation   |
| R36/37/38     | Irritating to eyes, respiratory system and skin  |
| Xi            | Irritant   |
